

SUMMARY

More than 6 years of experience designing and developing applications incorporating the use of new programming techniques. Experience developing Client-Server, XML Services, Web and Windows applications with access to DB in MS SQL Server and MySQL.

COMPUTER SKILLS

Languages

- C#, ASP, PHP, VB .NET, C++

Software

- Database: Microsoft SQL Server 2000-2005, Microsoft Access, MySQL

Other

- XML Web Services
- Client-Server Application Development
- Crystal Report

EXPERIENCE

Software Engineer

(C#, MS SQL Server, .NET 2.0, 3.0, 3.5)

Sungard – Investran

Mar. 2008

Present

Programmer Analyst

(C#, ASP, PHP, Perl, Delphi, MS SQL Server, MySQL)

eData Financial Systems

Feb. 2007

Mar. 2008

- Added the Check Payment Mode to the Shopping Cart Software (PHP, ASP).
- Designed and developed the Billing and Transaction System.
A four component system developed in C# with socket communication and a MS SQL Server 2000, advanced SQL queries programming.
- Developed new Reports for "Check Transactions" (C#, MS SQL Server, Crystal Report).
Financial Reports (Profit, Statements, Payout, etc)
- Fixed several problems in existing codes in PHP, ASP, C#, Perl.
PHP Shopping Cart, ASP Shopping Cart, ASP Payment Form, New Merchant's Application Manager CGI in Perl.

Programmer Analyst and Network Administrator

(C#, MS SQL Server, Crystal Report, Windows Server 2003)

MCV Servicios, Mercedes Benz Agency, Cuba

Mar. 2005

Jun. 2006

- Developed Financial Reporting Module.
Client-Server Application. Web Application (C#, Crystal Report) and XML Web Service to serve data from a MS SQL Server 2000.
- Developed the Company's Web Site in ASP.NET and C#.

Project Manager, Professor of Computer Science, Computer Programmer

(Delphi, C#, C++, ASP, Perl, PHP, MS SQL Server)

Universidad de Oriente, Cuba

Sep. 2001

Feb. 2005

- Taught classes of Programming Languages.
- Developed the Internet Access Control System in PHP and MySQL.
- Designed and developed a computer network in three departments.

FREELANCE EXPERIENCE

Developed **Mortgage Navigator**, Expedite Mortgages (<http://mortgagenavigator.org>) 2007

Developed <http://www.resoluteinvestigations.com> 2007

Developed Administrative Site for www.hsrims.com 2006

Developed Applications for Binarea S.L. (www.binarea.net) 2005

EDUCATION

Universidad de Oriente, Cuba

2001

- B.S., Computer Science

RELATED COURSES

- LAN and WAN Networks – Universidad de Oriente – Jun 2005
- Advanced SQL Programming – Universidad de Oriente – 2005
- Oracle and PS/L – Universidad de Oriente – Oct 2004
- Inside .NET – Universidad de Oriente – Jun 2003

- Introduction to .NET Technology and Web Services - University of Havana - Jan 2003
- E-Commerce - Universidad de Oriente - Sept 2002
